(THE 'LANDS')

---

### 1.0 This Development Permit:

- 1.1 imposes requirements and conditions for the development of the Lands, which are designated by the Official Community Plan as the Ambleside Village Centre Development Permit Area to enhance Ambleside Village Centre as West Vancouver's recognized Town Centre, and subject to Guidelines BF-C3 specified in the Official Community Plan; and
- 1.2 is issued subject to the Owner's compliance with all of the Bylaws of the District applicable to the Lands, except as varied or supplemented by this Permit:

### 2.0 The following requirements and conditions shall apply to the Lands:

- 2.1 Zoning Bylaw No. 4662, 2010, as amended, shall be varied to allow the building detailed in the attached **Schedule A** as follows:
  - a) Section 120.19(5) Building or Structure Height is varied to exempt elevator overruns and solar panels from building height.
- 2.2 Buildings, structures, on-site parking, driveways and site development shall take place in accordance with the attached **Schedule A**.
- 2.3 Sprinklers must be installed in all areas as required under the Fire Protection and Emergency Response Bylaw No. 4366, 2004.
- 2.4 No wood burning fireplaces shall be installed, constructed or otherwise permitted on the Lands or in any buildings on the Lands.
- 2.5 On-site landscaping shall be installed at the cost of the Owner in accordance with the attached **Schedule A**.
- 2.6 Pre-ducting to allow for the installation of roof-top solar panels shall be installed.

- 2.7 Electrical conduit shall be installed to allow for electric vehicle charging for all residential parking spaces.
- 2.8 All balconies, decks and patios are to remain fully open and unenclosed and the weather wall must remain intact.
- 2.9 Notwithstanding Conditions 2.2 and 2.5 above, the Director of Planning and Development Services may determine that minor changes to the proposal still comply with the Development Permit plans where proposed changes do not materially affect the intent of the plans attached to this Development Permit.

**3.0 Prior to commencing site work or Building Permit issuance, whichever occurs first, the Owner must:**

- 3.1 Provide and implement a plan for traffic management during construction to the satisfaction of the District's Manager of Land Development.
- 3.2 Install tree, vegetation, and/or hedge protection measures as required to the satisfaction of the District's Environmental Protection Officer.
- 3.3 Submit a "Sediment and Erosion Plan" to the District's Environmental Protection Officer for approval, and the owner shall be responsible for maintaining, repairing and implementation of the sediment control measures.

**4.0 Prior to Building Permit issuance:**

- 4.1 Provide engineering civil drawings detailing works, including but not limited to:
  - a) storm water management measures;
  - b) site service connections;
  - c) new boulevard plan along the frontages of the site including Marine Drive and the lane in accordance with the Ambleside Streetscape Standards; and
  - d) repaving including replacement of any curbs and sidewalks of Marine Drive and the lane where required,

must be submitted for acceptance, and security provided for the due and proper completion of the engineering works, all to the satisfaction of the District's Manager of Land Development.

- 4.2 Payment of Ambleside Amenity Units in the amount of \$273,000.

**5.0 Security for Landscaping:**

- 5.1 Prior to building permit issuance, security for the due and proper completion of the landscaping set forth in section 2.5 of this Development Permit shall be provided in the amount of \$166,000

(the “Landscape Deposit”) to the District in the form of cash or unconditional, irrevocable auto-renewing letter of credit issued by a Canadian chartered bank or credit union.

5.2 Release of the Landscape Deposit:

- a) Following the installation of the landscaping set forth in section 2.5 of this Development Permit and upon receipt of a certified letter or report by a Landscape Architect in good standing with the British Columbia Society of Landscape Architects to the District that:
  - i. the landscaping has been installed substantially in accordance with section 2.5 of this Development Permit; and
  - ii. any variations that may have been undertaken to the landscaping set forth in section 2.5 of this Development Permit are clearly identified, including but not limited to:
    - a. any adjustments to retaining walls,
    - b. changes to the mixture or sizes of any plant materials or trees,
    - c. completion of any off-site or boulevard works,
    - d. any areas that received alternative treatment,
    - e. any paving changes, or
    - f. any other additional or omitted plantings or alterations,

together with a clear rationale and explanation thereof and that a final review with the landscape contractor has been completed and provision of the date when this final review was completed on, and that it is noted if there are any outstanding landscape items that need attention, and confirm that the installed landscape is complete, the District will release 80% of the initial value of the Landscape Deposit. The remaining 20% of the initial value of the Landscape Deposit shall be retained by the District as a warranty deposit (the “Warranty Deposit”) to ensure successful installation of the landscaping.

- b) After a minimum of a one-year period following certification that the landscaping set forth in section 2.5 has been completed, and upon final certification by a Landscape Architect in good standing with the British Columbia Society of Landscape Architects, the District will release the Warranty Deposit.

- 
- c) In the event that the landscaping is not completed as provided for in this Permit, the District may, at its option, enter upon, carry out and complete the landscaping so as to satisfy the terms of the Development Permit, and recover the costs of doing so from the security deposited, including the costs of administration and supervision.

**6.0 Term of Permit**

This Development Permit lapses if the work authorized herein is not commenced within 24 months of the date this permit is issued.

In the event the Owner is delayed or interrupted or prevented from commencing the construction of the work specified herein by reason of any Act of God, labour unrest (including strike and lockouts), weather conditions or any similar cause reasonably beyond the control of the Owner, the time for the commencement of the work shall be extended for a period equal to the duration of the contingency that occasioned the delay, interruption or prevention, provided that commercial or financial circumstances of the Owner shall not be viewed as a cause beyond the control of the Owner.

THE COUNCIL OF WEST VANCOUVER APPROVED THIS PERMIT BY RESOLUTION PASSED ON SEPTEMBER 18, 2017.
