

CIRCULATION LEGEND

Family paediatric access issue

Secondhand smoking

Onsite pedestrian circulation, major loop

Onsite pedestrian circulation, minor loop

Existing Offsite pedestrian circulation, to be enhanced

Existing Offsite pedestrian circulation, to remain

This architectural site plan illustrates a residential complex with various buildings, courtyards, and landscaping. The plan includes labels for streets such as 21ST STREET, 88TH STREET, 22ND STREET, and GORDON AVE. A large green dashed line highlights a primary path or route through the complex, which is intersected by several red dashed lines forming a secondary network. Three orange circles mark key locations along the green path: one at the top center, one near the middle right, and one at the bottom center. A yellow circle highlights a specific area in the lower-middle section. The plan also shows numerous small circular symbols representing trees and shrubs, and includes a north arrow and a scale bar.
