(the “Grantee”)

**WHEREAS:**

A. The Grantor is the owner of the following real property:

PARCEL IDENTIFER: NPA, LOT 1, BLOCK 3A, EAST PART OF DISTRICT LOT 815, GROUP ONE, NWD, PLAN EPP117813;

PARCEL IDENTIFER: NPA, LOT 2, BLOCK 3A, EAST PART OF DISTRICT LOT 815, GROUP ONE, NWD, PLAN EPP117813;

(collectively, the “Lands”)

B. Section 219 of the Land Title Act provides, inter alia, that a covenant, whether of a negative or positive nature, may be registered as a charge against the title to land in favour of a Municipality or the Crown; and

C. For the purposes of protecting trees within that portion of the Lands shown outlined in bold on explanatory plan of covenant, dated January 20, 2022, prepared by Adam Arduini, BCLS, and deposited in the Land Title Office under number Plan EPP117814, a reduced copy of which plan is attached as Schedule A (the “**Tree Protection Zone**”), the Grantor desires to grant and the Grantee agrees to accept, this covenant in favour of the Grantee pursuant to Section 219 of the Land Title Act.

Page 35

1. Wherever used in this Agreement, including the recitals, unless there is something in the subject-matter or context inconsistent therewith, the following terms shall have the meanings ascribed to them:
  - (a) "Director of Planning and Development Services" means the Grantee's Director of Planning and Development Services, and includes any deputy director of the Grantee's Planning and Development Services division, and any other person authorized by the Director of Planning and Development Services or the Grantee's Municipal Council to act on behalf of the Director of Planning and Development Services or any deputy director of the Grantee's Planning and Development Services division;
  - (b) "Retained Trees" means all existing trees within or located on the boundary of the Tree Protection Zone; and
  - (c) "Tree Protection Zone" has the meaning set out in Recital C.
2. Within or on the boundary of the Tree Protection Zone:
  - (a) none of the Retained Trees shall be cut down, limbed, dug up, pruned, topped, re-topped, removed or otherwise damaged or killed, including but not limited to damage inflicted upon the trunk, stem or root system by machinery, storage of materials, removal or compaction of soil or changing the natural grade above the root system or around the trunk and including encroachment on the branches by any part of a building or structure, unless:
    - (i) a written opinion prepared and executed by an arborist certified by The International Society of Arboriculture is submitted to the Grantee stating that the proposed cutting down, limbing, digging up, pruning, topping, re-topping, killing, or removing of the tree is necessary because the tree (A) has been damaged by natural causes to the extent that it is unusually vulnerable to disease or premature death, (B) is hazardous, or (C) is causing damage to property (including roofs, retaining walls, or paved areas), but for these purposes the accumulation of leaves or needles does not constitute damage, or (D) is interfering with utility wires or other utility infrastructure or with access to such wires or infrastructure; and
    - (ii) prior approval in writing has been obtained from the Director of Planning and Development Services. Written approval may be withheld in the Director of Planning and Development Services' sole discretion, and the Director of Planning and Development Services may require, as a condition of his or her approval, either the replacement of the subject tree with up to two (2) trees of a type and size and in a location acceptable to the Director of Planning and Development Services or, at the Director of Planning and Development Services' option, the payment of an amount equal to the value of such tree as determined by an arborist according to the most recent edition of the Guide to Plant Appraisal prepared by The Council of Tree and

Page 36

- (iii) prior approval in writing has been obtained from the Grantee, in its capacity as Trustee of the charitable purpose trust created by the will of Doreen Brissenden, deceased.
3. In the event that any of the Retained Trees are cut down, limbed, pruned, topped, re-topped, dug up, removed or otherwise damaged or killed in contravention of Section 2 above, the Grantor shall:
- (a) immediately notify the Grantee of such cutting down, limbing, pruning, topping, re-topping, digging up, removal, damage, or killing;

  - (c) within forty-five (45) business days after acceptance of the evaluation by the Director of Planning and Development Services, at the option of the Grantee, either pay to the Grantee \$5,000 per tree plus an amount equal to the accepted value of such tree or provide such other compensation as the parties may agree upon; and
  - (d) upon request from the Director of Planning and Development Services, permit personnel or contractors of the Grantee to enter on the Lands for the purpose of replacing or maintaining the affected tree or trees.

Replacement trees or other vegetation purchased by the Grantee with the funds provided by the Grantor shall be planted on the Lands or in such other location as the Grantee, in its sole discretion, may deem appropriate.

4. The Grantor further acknowledges, agrees, and covenants with the Grantee that:
- (a) damages will not be an adequate remedy for any breach by the Grantor of this Agreement, and the Grantee shall be entitled to seek interim, interlocutory, and permanent injunctive relief to prevent any breach by the Grantor of this Agreement, without the necessity of having to prove irreparable damage and without regard to the balance of convenience; and
  - (b) if the Grantor defaults in the observance or performance of any obligations set out in Section 3, above, and such default is not remedied within thirty (30) days after the Grantee has given notice to the Grantor specifying the default and requesting that it be cured, the Grantee may remedy the default and seek reimbursement from the Grantor for all of its costs incurred and, until paid, the costs shall form a rent charge pursuant to section 219(6) of the Land Title Act and at common law.
5. As an integral part of the covenant pursuant to section 219(6) of the Land Title Act, the Grantor further covenants and agrees with the Grantee to release the Grantee and its elected officials, officers, employees and agents from and to effectually indemnify and save the Grantee and its elected officials, officers, employees and agents harmless against all actions, causes of action, prosecutions, proceedings, judgments, orders, claims, fines, demands, damages, losses, expenses and costs which may be incurred by or made against the Grantee relating to or arising from:

- (a) the retention of the Retained Trees; and
  - (b) any act or omission carried out by or not carried out by the Grantee, its elected officials, officers, servants, agents or employees in the exercise or purported exercise of any of the rights or compliance or attempted compliance with any obligations granted or imposed by this Agreement.
6. This Agreement does not:
- (a) affect or limit the discretion, rights, duties or powers of the Grantee under any enactment or at common law, including in relation to the use, development, or servicing of the Lands;
