 Subject: Please Save Hugo Ray Park - West Vancouver

Dear Ministers, MLAs and Council:

My name is () and my phone number is ()

I am a West Vancouver Resident and I am deeply concerned about the recent activities surrounding West Vancouver's Hugo Ray Park.

I oppose the proposed development of Hugo Ray Park because of the existing inadequate road access and the grid lock that is presently occurring on Taylor Way.

West Vancouver's Hugo Ray Park is one of the finest natural grass sports fields in this area.

We/I strongly oppose ANY changes to Hugo Ray Park that will result in an increase in traffic to all adjoining neighborhoods.

We/I call on council to put the needs of the taxpayers and area residents FIRST and to solve the existing traffic issues before considering any plans to install turf and lights at Hugo Ray Park.

I have added my name to this letter because I am against the use of artificial turf on these fields and to the increase in cars and buses and traffic that will enter the neighbourhood.

I am also against spending millions of dollars of taxpayers money to alter the entrance to West Vancouver, Exit 13 and the British Properties and instead believe that new solutions, and possibly even a new location for field hockey, must be discussed immediately.

I want to see this field preserved for the use of all residents, neighbourhood families and children, and all existing community sports (including cricket). I ask that you immediately withdraw your support for this project.

Please Help Save Hugo Ray Park !

Sincerely,

()

(13.2)

Dear Ministers, MLAs and Council:

My name is () and my phone number is ()

I am a West Vancouver Resident and I am deeply concerned about the recent activities surrounding West Vancouver's Hugo Ray Park.

Please stop this project before any municipal funds are committed and until the Cricket Club is appropriately accommodated in the development plans and the traffic problems are solved to the satisfaction of the residents of both Hugo Ray and Cedardale ares.

West Vancouver's Hugo Ray Park is one of the finest natural grass sports fields in this area.

We/I strongly oppose ANY changes to Hugo Ray Park that will result in an increase in traffic to all adjoining neighborhoods.

We/I call on council to put the needs of the taxpayers and area residents FIRST and to solve the existing traffic issues before considering any plans to install turf and lights at Hugo Ray Park.

Dear Ministers, MLAs and Council:

My name is () and my phone number is ()

I am a West Vancouver Resident and I am deeply concerned about the recent activities surrounding West Vancouver's Hugo Ray Park.

This whole project is quite out of hand. As a resident of Cedardale I am firmly opposed to it.

West Vancouver's Hugo Ray Park is one of the finest natural grass sports fields in this area.

We/I strongly oppose ANY changes to Hugo Ray Park that will result in an increase in traffic to all adjoining neighborhoods.

We/I call on council to put the needs of the taxpayers and area residents FIRST and to solve the existing traffic issues before considering any plans to install turf and lights at Hugo Ray Park.

(13.01)

Dear Ministers, MLAs and Council:

My name is () and my phone number is ()

I am a West Vancouver Resident and I am deeply concerned about the recent activities surrounding West Vancouver's Hugo Ray Park.

It is outrageous that the District of West Vancouver would boot the cricketers

soccer players etc.off their field after all these years. That field should be kept natural and used as it was intended. How dare the mayor and Kevin Pike decide they are going to put a professional, artificial field in the middle of a residential neighborhood.

Why doesn't the mayor put it in her neighborhood?

West Vancouver's Hugo Ray Park is one of the finest natural grass sports fields in this area.

We/I strongly oppose ANY changes to Hugo Ray Park that will result in an increase in traffic to all adjoining neighborhoods.

We/I call on council to put the needs of the taxpayers and area residents FIRST and to solve the existing traffic issues before considering any plans to install turf and lights at Hugo Ray Park.
