Dear Mayor and Councillors;

Congratulations on your recent election! As MLA for the region I would like to express my thanks to each of you for your decision to run for public office. Although it takes an enormous amount of time and effort to look after your municipality, including time away from family and friends, it is the ability to make a difference in your community that is the reward.

I hope to build on the relationships with all the elected officials from the various municipalities within my riding of West Vancouver-Garibaldi and I believe that, together, we can make progress on a number of common initiatives. Where it is possible from a provincial perspective, I'd like to assist each community in meeting their local goals and objectives. I am a firm believer in having open dialogue with other levels of government, so please feel free to contact me if I can be of any assistance.

I look forward to working with you in the future and hope it will be a very prosperous and productive term.

Sincerely,

Joan McIntyre, MLA
West Vancouver-Garibaldi
