Re: Completion of 2008 Community Health Promotion Fund Project

Dear Mayor and Council,

Thank you for submitting the final report and financial summary for the District of West Vancouver's *Active North Shore Community Health Initiative* pilot project.

It is clear that this project achieved the goals of the Community Health Promotion Fund program, including the focus on physical activity, healthy eating and smoking cessation, as well as the objectives of the collaborating partners.

The final report notes a final expenditure of \$34,998.00. Based on this, a cheque in the amount of \$10,498.00 will follow shortly under separate cover. This cheque represents final payment of the grant and is based on the total approved grant minus the payment of \$24,500.00 made in January 2008.

I would like to congratulate the District of West Vancouver for undertaking this innovative project and responding to the opportunity to promote health through community capacity building and collaboration.

Sincerely,

Danyta Welch
Policy & Program Officer
