Subject: Marine Drive West of Park Royal

Dear Mayor and Council, I am appalled at the money spent on the "improvements" on Marine Drive West of Park Royal.

You would think that new paving, curbs, landscape would accomodate the cyclist. NOT!

However, as a cyclist who rides that section 3 times a week, it was better before the upgrades.

I can't believe it! Are there any cyclists on council or in planning?

Oh and buliding up to the first lookout on Cypress. How about some density in West Vancouver? Urban Sprawl up the mountain.

Sorry about the scathing letter. Two cars came within a foot of me on that narrowed new pavement.

I would like to know what you have to say on the matter. Thanks . ()
