Dear Mayor Goldsmith-Jones and Council:

We recently watched a television news reporter state that approval of the proposed bicycle trail from Horseshoe Bay to Deep Cove had reached an "impasse"; because residents along the railroad right-of-way between 19th Street and 24th Street object to the trail being located there.

This note is to inform you that we have taken the time to walk the area in contention, and we feel that the residents' objections are unreasonable.

We strongly support the proposed bicycle trail, and trust that our local government will ensure that construction of it will not be delayed because of a five-block "impasse".

Yours truly,
