Dear District of West Vancouver Member of Council,

The North Shore Housing Forum Steering Committee is delighted to invite representatives from council to attend our "Housing the North Shore" event. Please join us on May 27<sup>th</sup>, 2009 at 7:00 PM and May 28<sup>th</sup> at 9:30 AM at the Leo Marshall Centre, 810 West 21<sup>st</sup> Street, North Vancouver.

Keynote speaker Michael Geller, president of The Geller Group and Adjunct Professor at the Centre for Sustainable Community Development SFU, will offer "10 Ways to Create Affordable Housing". Mayor Goldsmith-Jones, Mayor Mussatto and Mayor Walton will respond and an audience question and answer session will follow.

For a complete program and registration see our website, [www.northshorehousing.ca](http://www.northshorehousing.ca).

Housing the North shore is being organized and hosted by three North Shore advocacy groups: Community Housing Action Committee, Lionsview Seniors Housing Planning, and Canadian Federation of University Women. These three organizations are long-standing community groups who, like a growing number of North Shore citizens, are deeply concerned about the deteriorating supply of affordable housing, the effects of which are being felt by many employers, their employees, and families, here on the North Shore. The overarching purpose of the forum is to conduct a high-level discussion in the community, one that acknowledges that many different forces of change, local and global, are affecting how we use our North Shore land, and how neighbourhoods can respond to these pressures.
