Dear Mayor Goldsmith-Jones,

This is to thank the Municipal Maintenance staff for the snow clearing work they did over this past winter to ensure our students were able to get to school. Under difficult circumstances, they did an excellent job of clearing the roads near our schools.

On behalf of Trustees and senior staff, please convey our appreciation to the appropriate staff members for the hard work they did many nights during the overnight hours to clear the roads. I am sure they are hoping the recent winter was an anomaly in terms of weather!

Yours truly,

Mary-Ann Booth
