To Mayor & Council, West Vancouver District

(5)

As mentioned briefly at the end of the Council meeting Monday Dec 7/09 — I would like to receive a clarification of how my letter to "Mayor & Council" personally delivered Oct 30/09 at 4PM to Legislative Services could be "received by Council for information" the following Monday Nov 2/09.

Council Procedure Bylaw 4483, 2006 details the correct procedure. My letter regarding a un-resolved Building Dept issue was neither on the "Agenda" of the Nov 2/09 meeting — nor was it requiring "urgent consideration".

It is a mystery to me how this situation could happen. I look forward to a reasonable resolution to this issue.

Thank you for your time.

Sincerely

4.18 The agenda:

- (a) must be posted at the public notice posting locations at least two days before the time of the regular meeting: *(X my note - Thursday)*
- (b) package must contain all documents in possession of the Clerk to be referred to in the consideration of items on the agenda.

Addition of Agenda Items

- 4.19 Any member may in a meeting, without notice, request the addition of an item of business not on the agenda which the member deems to be urgent.
- 4.20 The Mayor will, at the time the Council considers approval of the posted agenda, query whether any member of Council wishes to add an item of business. The member must make the request at the time the Council considers approval of the posted agenda.
- 4.21 The member must, when making the request, inform the Council of the general nature of the business and the reason for urgent consideration.
- 4.22 The Mayor must immediately call a vote on the request, which must be granted if 2/3 of the Council members present vote in the affirmative.
- 4.23 If the request is approved the item of business must be placed on the agenda as New Business, at which time the member must present any supporting information on which the member intends to rely.

Consent Agenda Items

- 4.24 Items listed in the consent agenda are considered for approval in one motion, unless a member of Council wishes to debate an item and requests that it be excluded. If an item is excluded from the Consent Agenda it will be considered as an agenda item. The rule of order establishing a consent agenda provides that consent agenda items may be considered in total and without debate or amendment.
- 4.25 Items will be listed in the consent agenda section that, in the opinion of the Chief Administrative Officer and/or Clerk, and in consultation with the Mayor, require little or no discussion.
