Subject: Peter Jones Seniors' Centre

Dear Mayor and members of Council,

I understand you are considering a motion to rename our seniors centre in memory of the late Peter Jones. Having lived on the North Shore since 1952 and having known Peter for almost 50 years I can't think of someone more deserving of such an honor. Moreover, I have lived in West Vancouver since 1980 and have appreciated all of his efforts with respect to our community not only during his two terms as Mayor but as a member of the community at large. His wisdom , personal integrity and leadership are a great example for the young people of today. His contribution was immense and truly needs to be recognized.
