Peter Jones was a wonderful man and a credit to West Vancouver in everything he did for the community. It would be a fitting tribute to his memory if the West Vancouver Senior's Center was renamed Peter Jones Center in his honour. ()

Dear Mayor and Council,

My husband and I would like to endorse the proposal to change the name of the West Vancouver Seniors' Center to the Peter Jones Seniors' Center.

Although we only knew Mr. Jones briefly, we were very impressed by his character and presence, and through his children have come to realize and admire his long-term contribution to the community of West Vancouver and the North Shore in general. We support the idea of recognizing the valuable contributions of a member of the community in naming a facility after him. It would be a fitting memorial to Peter Jones and his work, and much appreciated by many.

Yours sincerely,

Hello

I would like to add my name to the long list of North Shore residents in favour of renaming the Senior Centre after Peter Jones. He did so much for our community and is so richly deserving of this honour.

Thank you for listening.

Dear Mayor and Council,

Please honour our West Vancouver Senior's Centre with Mr. Peter Jones name. Mr. Jones spent a lifetime quietly helping others both in his professional career and especially in his private life.

In 1968, the newly founded Capilano College rescued me providing direction to a career that I had only dreamed of acquiring. Mr. Jones was a driving force in founding this great institution. What vision. Many years later Mr. Jones spent a semester sharing his structural engineering expertise with a group of UBC architecture students. Fortunately, I was one of them.

Mr. Jones was a founding partner in two very significant structural engineering firms, Read Jones Christofferson and Jones Kwong Kishi. Again, I had and continue to have the pleasure of working on projects with these teams of engineers Mr. Jones helped to put together.

In the early 60's and 70's it was Mr. and Mrs. Jones that first opened the doors to their homes and cabin at whistler for their children to meet and entertain all their friends. Great Fun.

Mr. Jones has many legacies. It is important for those of us living on the North Shore to be quietly reminded of those of who have done so much for our community. Every time I think of RJC and JKK I smile. J stands for Mr. Jones, an extraordinary man and a great community builder. Please honour our Seniors Centre with Mr. Peter Jones name, so we may all smile as we all pass by 21st and Marine.

I have worked with Peter Jones for many, many years in the Palliative Care Department of Lions Gate Hospital - a fine example of a man and a human being. I would highly support the renaming of the West Vancouver Recreation Centre after him. Thank you.()

Naming the West Vancouver Seniors' Centre after Peter Jones would be a befitting way to commemorate his name for his valuable service for the residents of West Vancouver (and the North Shore in general). We would like to add our names to those suggesting such a move.

Mayor and Council

Please put me down as another supporter of the proposal that the West Vancouver Seniors Centre be renamed in honour of Peter Jones.

Our community is a better place due to the vision and leadership of rare individuals such as Peter and I think naming the centre after him would have great popular support.

Though naming infrastructure and buildings after politicians is probably done more often than may be warranted, I think in this case that there is a huge amount of local affection for this charming and gentle man who inspired and mentored many in both his public and private life.

I would urge you to support this small acknowledgement of Peter's legacy of contribution.

Sincerley

Greetings,

I'm sure that there are many West Vancouver residents who appreciate the contributions of Peter Jones to the community of West Vancouver over many years. I think it is appropriate for the Mayor and Council to consider renaming the West Vancouver Seniors' Centre, the Peter Jones Seniors' Centre or the Peter Jones Memorial Seniors' Centre.

Sincerely,
