RE: Eagle Island - Current Parking Assignments

Thank you for your recent email requesting confirmation of a municipal parking stall for 5802 Eagle Island.

With reference to the attached documents, which note individual Eagle Island addresses and their assigned municipal parking stalls, I would draw your attention to the vacant stall nearest the Eagle Island Yacht Club for your possible use. Access to the stall is gained but not guaranteed by purchasing a Residential Parking Permit for your vehicle from the Bylaws and Permits Department for a fee of \$10.

If you would like to assure yourself of this stall, Eagle Island residents have the option of purchasing a Highway Occupancy Permit and personalized sign for \$100 and \$150 respectively, as per Council's resolution of Monday, November 16th. The Highway Occupancy Permit of \$100 would be due on an annual basis thereafter as would the \$10 fee for the Residential Parking Permit.

I will be in contact with Jim Ochs next week requesting a list of those Eagle Island residents wishing to purchase a Highway Occupancy Permit and personalized sign. If you would like, please contact Mr. Ochs to have your name added to the list.

Yours truly,

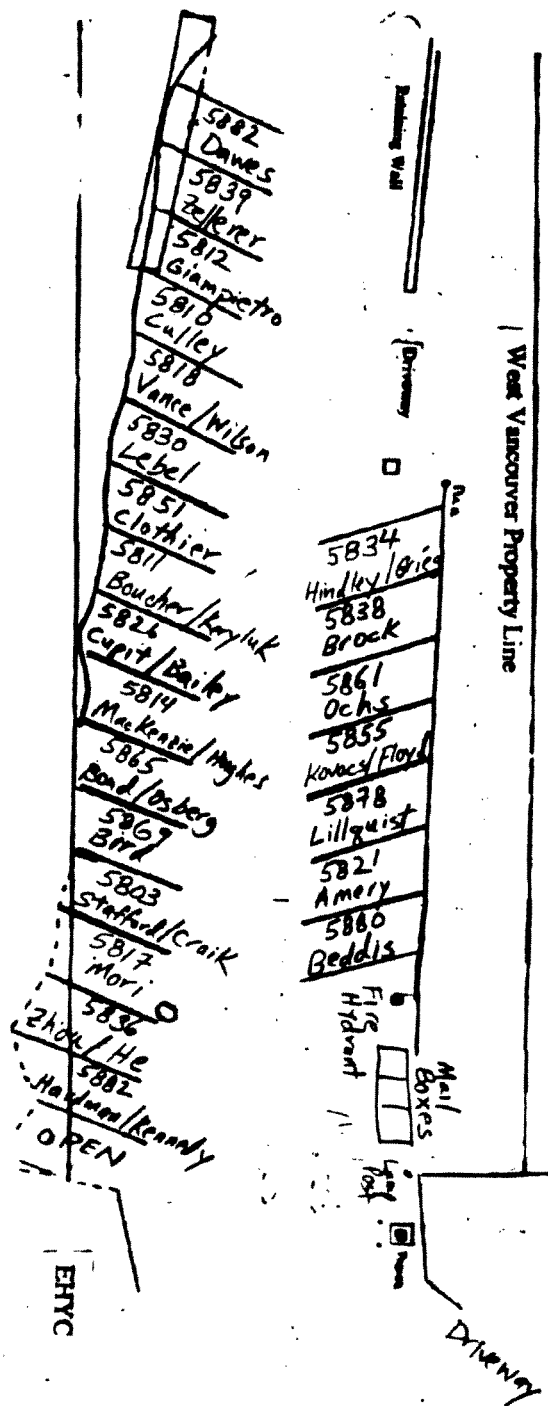

Brent A. Dozzi, P. Eng., PTOE
