Madame Major and Council members

I am a resident and owner of the property at (). I would like to add my support to the residents of Sunset Lane. We need to have the issues between BC Rail Properties and the District of West Vancouver resolved. Both my wife () and I are long term Residents of West Vancouver. We have been in contact with and involved with both parties for over five years working of having the property issues resolved. () We have done everything to work with the city and our neighbors. We have received incredible support from all our neighbors as we try to minimize the inconveniences of construction. You have had meetings with other Sunset residences and received numerous correspondence and input from all sides including your own staff. We would ask that now is a time for this issue to be resolved and allow the District to get on with the many other worthwhile plans you have for our District. We love it here we just want to have a home we can enjoy as well.

Thank You for taking the time to read our concern.
