If you were at the 2009 Union of B.C. Municipalities conference in Vancouver, I hope you had a moment to visit the 2010 Legacies Now display in the Municipal Marketplace where we showcased our 2010andBeyond.ca website. This website features thousands of highlights and stories from across British Columbia, including an interactive map of B.C., where you can read about the legacies being created in West Vancouver, in your region, and throughout the province.

If you have not yet visited the website, I encourage you to do so. And if you already have, please keep checking back as we continue to populate the website with even more of the wonderful legacies we are helping to create with your community and our partners.

Please consider helping us spread the word about the great work we are doing together. To do this, you can link from your website to ours using the link listed at bottom of this letter anytime 2010 Legacies Now is referenced. This link will enable your website visitors to visit your community's page on our 2010andBeyond.ca website. Also, if you have additional stories of how West Vancouver has partnered with or benefited from 2010 Legacies Now, please email them to mystory@2010LegaciesNow.com, so we can add it to the website.

It is incredible to think that British Columbia will be welcoming the world to the 2010 Winter Games in less than three months. On behalf of 2010 Legacies Now, I thank you and your community for helping us to embrace the excitement of the Games and turn them into lasting legacies with benefits that will continue to live beyond 2010.
