Dear Mayor and Members of Council,

I totally concur that re-naming the West Vancouver Seniors Centre to Peter Jones Seniors Centre, West Vancouver, would be a very appropriate way to recognize Peter, who gave so much to our community.

Sincerely

As a fellow Palliative Volunteer with Lions Gate Hospital I knew Peter Jones & am in full favour of the proposal of renaming the WV Seniors centre in his honour.( )

The West Vancouver council will be meeting this evening and will be discussing renaming of the West Van Seniors' centre in honour of Peter Jones. To date they have only 82 emails. With all that Peter did to give back to the North Shore, it would be wonderful to honour him in this way.

If you haven't already done so, please take a moment to express your support by sending a quick note today. The email address is [MayorandCouncil@westvancouver.ca](mailto:MayorandCouncil@westvancouver.ca)
