Dear Mayor and Council:

I would love to see our West Van. Seniors Centre renamed after "Peter Jones."

I have volunteered with Peter Jones at Lions Gate Hospice for 20 years and have come to realize what a kind, caring and amazing man that Peter Jones was.

Its with a grateful heart that I write this letter.

Yours truly,

Dear Mayor and Council:

Having read the recent Terry Lester letter to the editor as posted in the North Shore News we heartily endorse the proposal to name the Seniors Activity Centre in honour of former councillor and Mayor, Peter Jones. I was a resident of West Van from 1971 through 2007; my wife a resident of West Van from 1950 through 2007.

Sincerely,

Good evening,

I would like to put forward my support for the renaming of the West Vancouver Seniors' centre in honour of Peter Jones. As a wonderful man who contributed so generously to his community for so many years, it would be a very fitting tribute.

I met Peter during his time as a volunteer at Lions Gate Hospital. His tremendous dedication and strong sense of compassion were evident in the many relationships he forged and maintained over his many years of service.

Renaming the West Van Seniors' Centre would be wonderful way to recognize the impact of this highly respected member of our community.

Sincerely,

Please add my name to the list of those who enthusiastically support the renaming of the West Van Seniors' Centre to be "The C.Peter Jones Memorial Seniors' Centre." He was an extraordinary citizen, and to rename this Centre in his name is a most worthy recognition of his service.

Sincerely,

Dear Mayor & Council members..

I understand that you are considering naming the new Activity Center at 21st & Marine Dunes. As a Tax payer & resident of West Vancouver since 1965 I wish to suggest to you naming it after Peter Jones who has just recently passed away. Peter served the community for many years including the position of mayor.

Thank you for your  
consideration & attention

Your Worship and Council;

May I add both my personal support and the support of the Capilano University community to the initiative to have the Seniors' Centre named in honour of Peter Jones, former West Van mayor, first chair of Capilano College (remember it started in West Vancouver High School), and first honorary degree recipient of Capilano University. Much has been written concerning Peter's accomplishments and I will not repeat all of it. I only note that in all his endeavours he actively supported and encouraged the involvement of young people. - a value obviously shared by the University he helped create.

Yours truly,
