The Mayor and Council,

RE; Giant Hogweed

With alarm, while driving Marine Drive from 38th to 31st Street, I noticed giant hogweed blossoms and seedheads[almost ripe] invading the landscape and now spreading to the streets North of Marine Dr.[Sunset and Creery] also in flower with seedheads at the ready. Hopefully the entire Parks Dept. is not on holiday and could prevent further spread if they attend to this dangerous invasive weed immediately .

Sincerely
