The letter is written in support of the bus system presently taking seniors from the West Van Senior Centre to Park Royal and Dunderave. We feel it provides a very necessary service for seniors, especially those who are unable to get to local bus stops on their own. As riders of this bus we have found it very convenient and the drivers Moira and Janet are very capable, friendly and show great concern for their passengers. We have made contributions at the Seniors Centre and it would be very disappointing and a real hardship for many if the service were to be discontinued.

Yours truly,
