Dear Mayor and Council:

Re: North Shore Multi-Material Recycling – Award of Contract

The City Council at its regular meeting of Monday, June 1, 2009 endorsed the following resolution:

"PURSUANT to the report of the City Engineer, dated May 27, 2009, entitled "North Shore Multi-Material Recycling – Award of Contract":

WHEREAS the three North Shore Municipalities recognize there may be inherent efficiencies in providing recycling collection services to multi-family homes compared to single family homes as reflected in the annual solid waste utility rates in all three municipalities;

THAT the City accept the cost re-allocation formula that distributes 50% of the cost savings the City foregoes by accepting of the Waste Management bid amongst the three North Shore Municipalities as recognition of the efficiencies of providing recyclables collection to multi-family homes;

AND THAT Council authorizes staff to execute a joint North Shore Multi-Material Recycling Contract of up to a five-year duration with Waste Management of Canada Inc.;

AND THAT a copy of this resolution be forwarded to the Mayor and Council of the District of North Vancouver and the District of West Vancouver;

AND THAT the report of the City Engineer, dated May 27, 2009, entitled "North Shore Multi-Material Recycling – Award of Contract" remain in camera."

Yours truly,

Sandra E. Dowey
