Re: the blue metal bridge over the Capilano River.

As a "host city" for the coming Olympics, West Vancouver should do everything it can to make a welcoming first impression. As the "gateway" to our municipality, that bridge is a disgrace. When was it last painted? Certainly not in the nearly 13 years we have lived in West Vancouver.

If the bridge is not the jurisdiction of West Vancouver, but is, instead, the jurisdiction of the Squamish nation, please forward this letter to the band's chief.

Thank you.

Yours sincerely,
(
