**Subject:** Trip Ed Public Launch event -May 14

To: Mayor Goldsmith-Jones and All West Vancouver City Councillors

You are all cordially invited to this exciting event:

## TripEd Extravaganza

The public launch of TripEd will be happening in the big tent (#3) of the Vancouver Children's Festival on **Thursday, May 14<sup>th</sup> from 6:30 to 7:30 p.m.** Children's performers Fred Penner and Al Simmons will perform along with student entertainers and more!

We want to get out our message that schools, daycares and other child and youth caregivers should have affordable access to public transit. We are proposing that a yearly low-cost bus pass be available that will enable groups of children with their adult supervisors to use public transit for field trips.

The Children's Festival site is at Vanier Park, 1100 Chestnut St. in Vancouver. There is plenty of parking available at the Vancouver Museum and Space Centre and other nearby locations.

Please show your support by attending our event and by passing the word about our project to your networks.
