Dear Jocelyn,

Re: The 2009 Flea Market

Congratulations! You just proved how important is to have the right people in the right place and at the right time.

Your leadership and enthusiasm set the tone right from the beginning. Further, Katie and Julie, with their attitude, energy and genuine enthusiasm did you and the entire centre proud. They did a wonderful job and were appreciated throughout. The position these two held can make or break the success of this event. Accolades and appreciation for them was the general topic of conversation throughout the creation of the 'Flea Market'. I feel the sentiments expressed in this note would be supported by all who participated.

On behalf of the 'Linen Ladies',
Congratulations and thank you to everyone concerned this year.
