## COUNCIL REPORT

Date: September 18, 2009 File: 1610-20-4614  
From: Kerry Won, Manager Revenue & Collections  
Subject: **2010 Permissive Tax Exemptions**

### RECOMMENDED THAT:

1. "Tax Exemption Bylaw No. 4614, 2009" be introduced and read a first, second and third time.

### Purpose

To seek Council's approval for proposed permissive tax exemptions pursuant to Section 224 of the Community Charter for the 2010 taxation year.

### 1.0 Background

Council policy in the past as been to approve only the following types of request for a permissive tax exemption:

- Senior Citizen Housing projects built with provincial assistance that do not fall within the exemption provisions of Section 224(2)(h) of the Community Charter;
- Non-profit organizations and community care licensed groups leasing portions of school buildings from School District #45; and
- Land surrounding buildings for public worship and other necessary ancillary buildings

The proposed permissive exemptions are provided in order to continue the tax exempt status of properties that no longer qualify for such treatment due to legislation changes (in the case of tenants in school buildings and the land surrounding places of public worship and necessary ancillary buildings), or due to management/ownership changes (in the case of seniors housing).

A Permissive Tax Exemption application was also received from the West Vancouver Legion Branch 60, 580 18<sup>th</sup> Street, West Vancouver. Staff are not recommending approval of the tax exemption as the request does not fall within Council policy.

## **2.0 Legislative Requirements**

The Community Charter requires that details of proposed permissive exemptions be advertised in two issues of a local newspaper prior to consideration of bylaws by Council. The details required include identification of the property, nature of the exemption, and an estimate of the dollar value of the exemption for each of the current and following two years.

Estimated total dollar value of permissive exemptions for all properties in each year (municipal taxation only) is:

2010	\$277,872
2011	\$286,208
2012	\$294,795

Advertising of the exemptions proposed in this report is scheduled for the September 25<sup>th</sup> and October 2<sup>nd</sup> editions of the North Shore News.

## **3.0 Policy**

It is recommended that current Council Policy for approval of requests for permissive tax exemption be maintained in the 2010 Tax Exemption Bylaw.

## **4.0 Financial Implications**

All categories of proposed exemptions maintain the status quo of prior years, and thus there are no financial implications.
