Subject: Bylaw notice for parking WV031580

(13)

( )

On 09/09/19, I received a Bylaw notice for failing to parallel park on a one way road - facing direction of travel on Westcot Road. I have never driven on Westcot road before and I was taking my grandchild to a soccer match located just south of the school. There was not a lot of parking places on Westcot but I did see one on the west side of the street. There were already 2 vehicles parked pointing south with an empty spot behind them. Not being familiar with the street, I didn't realize it was a one-way road. I turned into the school which I noticed had a small roundabout which would allow me to turn left onto Westcot and conveniently park behind the 2 vehicles already parked pointing south.

I am not contesting the fact that I was parked the wrong way on the street, but I would like to **recommend** that a sign be placed on a post so drivers exiting from the school would be made aware there was no lefthand turn permitted. This would greatly reduce the chance of someone making a wrong turn but also make the school/playground area a safer place for the children. I could have just as easily parked pointing north, if I was aware it was a one-way street.

( Thank you for your consideration )
