Dear Ms. Scholes:

Metro Vancouver produces a half-hour newsmagazine, *The Sustainable Region*, as one way of providing the messages on sustainability to residents. The 2008 season of *The Sustainable Region* has been compiled in the accompanying DVD.

In 2008, *The Sustainable Region* was the recipient of a first place award for a magazine series from NATO – American awards for government programming. The show also received awards for three individual shows 'Air Quality & Your Health', 'A Tour of the Fraser River' and the 'Zero Waste Challenge'.

I hope you enjoy the compilation of last year's programming. The Sustainable Region airs on Knowledge Network or you can also see all the stories online: www.thesustainableregion.ca. Tune in to see this season's *The Sustainable Region* on Shaw, Wednesdays at 2:30 pm, 10:30 pm and on Delta Cable Tuesdays 6:00 pm and Wednesdays 5:00 pm.

If there are stories about sustainability in your municipality that we could profile, please contact Marianne Pengelly, Executive Producer of *The Sustainable Region* at 604-451-6027.

Sincerely,

Lois E. Jackson
