Dear Mayor and Council,

During the summer months there are few times we get to enjoy mornings on the deck. This summer it has been difficult to do because of the continual dog barking from 8 a.m. on coming from the SPCA in Ambleside Park. Some residents contacted the SPCA and West Vancouver Bylaw Officer on more than one occasion this summer about this continual barking but to no avail.

According to the West Vancouver bylaws no home owner would be allowed to let their dog bark hour after hour disturbing the neighbourhood.

It is our understanding that the mandate of the B.C. SPCA is that they are a “ non-profit organization dedicated to protecting and enhancing the quality of life for domestic, farm, and wild animals in B.C.”

The Ambleside SPCA is now in the business of boarding dogs. That is not their mandate!! There are other businesses in West Vancouver that are licensed to board dogs.

Why are we subjected repeatedly to this annoying noise?

We look forward to hearing from you regarding this manner.

Yours Sincerely,
