(7)

Dear Mayor and Council members, I wish to very strongly protest that you are planning to exempt 15 religious social clubs from payng property taxes in our municipality to the tune of a staggering \$126,029.00!! An eigh of a million dollars for what!?

Good governance demands that church and state be totally divorced, and that means that these religious social clubs should be made to pay their full share of our property taxes.

Yours truly,

( )
