Dear ()

As a senior, I am not proficient in writing emails and I don't know the email of the Municipality; so I am sending this to you to please forward it on to the concerned authorities. I totally agree that we have had formidable problems with the heavy snow on 18th which cannot be accessed when there is a heavy snowfall in winter. I was housebound for some time as my car has only a two wheel drive. In fact I had to hire someone to bring his four wheel drive and get me to the office.

It is disturbing that we have to pay so much in taxes and yet do not have essential facilities. Therefore, it is imperative that the West Vancouver Municipality deal with this matter immediately. Thank God, we have some young parents who went out and shoveled the snow in order to get their children to school on time.

I sincerely hope that these emails from our Rosebery Ave. block will bring prompt attention from the authorities.

Thank you,(), for bringing this to the attention of all of us living on this Block
Sincerely, ()
