Subject: Budget for this year

Dear Mayor and Council,

We would like to lend our support to those reasoned and eloquent letters that have been submitted, requesting a 0% tax increase with \$500,000 allocated for infrastructure replacement. It would also be entirely inappropriate for there to be any salary increases to management or new positions created. With the Olympics over, the communications budget may also be revisited.

The economic forecast for this province is not rosy in the short term so that fiscal restraint is essential.

Thank you all for the hard work that has gone into this process to make this an enviable municipality.
