Subject: 2010 Annual Budget

Dear Mayor and Council:

I strongly support the views expressed in the budget submissions you recently received from () and () on behalf of the Taxpayers' Action Committee.

Having been responsible during my career for directing the financial operations of a major corporation, I am fully aware of the challenges that you face in preparing a budget in these difficult economic times. However, I strongly urge you to "bite the bullet" now to reduce costs and implement a practical and common sense financial plan that reverses the escalation of taxes which has been your practice in past years.

Please remember that it is the communal good of all the citizens of West Vancouver for which you are responsible!

Sincerely,

()
