Attention: Mayor and Council

Dear Madame Mayor:

With respect to the letter from the CAO, Mr. Grant McRadu, dated 2009 December 18 regarding the borrowing of funds from the Endowment Fund, would Council please confirm if a legal opinion has been received related to this matter?

If an opinion has been received, would Council please release it?

If Council declines to release it, would Council please explain the reason?

The *BC Freedom of Information and Protection of Privacy Act* does not require such information be kept secret and surely Council does not feel any legal liability might attach to the manner in which it has borrowed the funds from the Endowment Fund, especially given the reassurances of the CAO in his letter.

Yours truly,

George Pajari
