District of West Vancouver
750 17th St
West Vancouver, BC V7V 3T3

Dear Director Goldsmith-Jones:

It gives me great pleasure to appoint you to the following Metro Vancouver committee (s):

- Housing Committee
- Metro Vancouver Mayors Committee
- Waste Management Committee

As in previous years, I have appointed, wherever and whenever possible, Board Directors and Alternates to serve on the committees in order to ensure consistent and complete decision-making when committee reports come before the full Board meeting.

It goes without saying that there is much work to conclude within this year, given our Metro Vancouver priorities and work plan which will be considered by the committees. As in the past, I count very heavily on committee members to participate in and contribute to committee deliberations. Your work is very valuable not only to the Board but the two and a half million people in the Lower Mainland whom we serve.

Each of our communities is unique and together we offer diversity, vitality and a vibrancy second to none!

I look forward to working with each and every member, whether it be on the Board or on a committee, and ask that each of us resolves to dedicate our talents and our time as we strive to make this region one of the best in the world and one which we will be proud to leave as a legacy for our great grandchildren.

I thank you in advance for your serious and much appreciated contribution to all peoples in our region.

As I mentioned at the meeting, if you should discover that your obligations for committee service are too taxing, please let me know in order that we can ensure a full roster of members at the committee meetings.

In the meantime, if there is anything that I or staff can do to assist you, please do not hesitate to contact any one of us. Once again my congratulations on your appointment. I look forward to working with you in the coming year.

Kind regards,

Lois E. Jackson
Chair, Metro Vancouver Board
