

NOTICE

MEETINGS CANCELLED

In light of the COVID-19 pandemic, the District recently decided to halt public engagement processes, close facilities, and promote social distancing. Since that time, the Province of British Columbia has continued to urge residents to stay at home in order to flatten the curve and reduce the spread of COVID-19.

The District has cancelled all upcoming board, committee and working group meetings scheduled between now and the end of June accordingly.

Staff are continuing to assess this situation on an ongoing basis and look forward to resuming meetings once it is safe to do so.
