THAT the May 5, 2026 Environment Committee meeting agenda be approved as circulated.

CARRIED

**3. ADOPTION OF MINUTES**

It was Moved and Seconded:

THAT the April 7, 2026 Environment Committee meeting minutes be adopted as circulated.

CARRIED

**REPORTS / ITEMS**

**4. District's Public EV Charging Strategy Progress Summary**

WSP Canada presented a progress summary on the District's Public EV Charging Strategy and answered Committee questions.

The Committee discussed the following:

- Definitions of low and high residential retrofits;
- Potential barriers to further shifting the uptake on EVs;
- Considerations for the distribution of Level 3 charging stations; and
- The approach for applying a social lens to the Public EV Charging Strategy.

It was Moved and Seconded:

THAT the presentation regarding the District's Public EV Charging Strategy Progress Summary be received for information.

CARRIED

## **5. Update from the Environment Committee Working Groups**

Representatives of the Environment Committee Working Groups provided an update on their progress of work completed.

The Committee discussed the following:

- The financing mechanisms to support residents to switch to heat pumps to be presented for the Finance and Revenue Advisory Committee for review, if directed by Council;
- Engagement options for HVAC contractors operating in the District;
- One Committee member is judging the District's "Safe Routes, Healthy Commutes" student video contest; and
- Exploring options for bike storage solutions in public areas of the District.

It was Moved and Seconded:

THAT the discussion regarding the Update from the Environment Committee Working Groups be received for information.

CARRIED

It was Moved and Seconded:

THAT the Environment Committee recommends that Council refer to the Finance and Revenue Advisory Committee the matter of identifying potential financing or financial incentive options to support West Vancouver residents to install heat pumps in their homes.

CARRIED

## **6. PUBLIC QUESTIONS**

D. Reinsch (member of the public) questioned if the Province continues to offer incentive programs through CleanBC for EV charging installations.

A. George (member of the public) questioned if the District has considered electric power generation by solar on District-owned buildings and also noted a substantial demand for energy will come by 2050 requiring local hubs of power.

T. Reinsch (member of the public) questioned if the Environment Committee will attend the 2026 Gleneagles Spring Fest West.

**7. NEXT MEETING**

Staff confirmed that the next Environment Committee meeting is scheduled for June 2, 2026 at 4:30 p.m. and held in the Raven Room, Municipal Hall and via electronic communication facilities.
