Regarding the safety fence at the construction site at 5060 The Byway West Vancouver BC. This unsightly safety fence and construction toilet has been an eyesore in the neighbourhood since November 2023. The fence is only partially used with the Hammerhead Turnaround civil portion and grading complete apart from final paving. It serves no purpose and could be relocated at the owners property entrance. There has been ample vehicle parking at [REDACTED] s. 22(1) The Byway for 8 vehicles since 2023. [REDACTED] s. 22(1) landscape the adjoining area and conceal the open turnaround treeless portion. The neighbourhood would be very appreciative for your input to return to our quiet ambience after two years of noise and dust. Regards [REDACTED] s. 22(1)
