Project Description

I _____, and I, _____, confirm the following:
(subject property Owner or Owner's Agent*) (Demolition Contractor)

ACKNOWLEDGEMENT (further to Building Bylaw No. 5340 section 16.3):

We agree to backfill and make site level in accordance with "Natural Grades" of the site within 15 days of demolition of the structure or removal of concrete footings & foundations.

We agree to install and maintain the Erosion and Sediment Control measures.

We agree to provide a statutory declaration regarding disposal of recyclable and hazardous demolition materials.

We agree NOT TO EXCAVATE footings & foundations for new building unless a permit for new building has been issued.

We understand and agree that in the event we fail to back fill or install the Erosion and Sediment Control measures, the District may backfill the site and install the Erosion & Sediment Control measures.

We hereby authorize the District to use the Performance Security and levy the property taxes for any additional funds required to do the works to backfill & install the Erosion & Sediment Control measures in the event I fail to carry out the works.
